versatile options with multiple uses for the lower level - are features of note.

Positioned on a 1812m2 block with well established tropical and native gardens, a cosy fire pit area, and flat grassy area for children and pets to play - despite its size, it is an easy to maintain garden with much of it looking after itself.

Located just a short drive to Buderim village amenities, 2-3 kilometres to premium schools, 15 minutes to Sunshine Plaza and beaches, and less than 10 minutes to M1 to Brisbane - convenience is another feature...yet when you unlock your front door, you'll feel a million miles away.

Well cared for by its current owners, there is no immediate money needing to be spent; this would make a superb entry level home for a young couple/family and could also suit tree-changing downsizers.
