North facing, the home is light filled and showcases delightful views from the front verandah to Mount Ninderry; the gardens are landscaped and manicured, and there is a cosy firepit area to toast marshmallows under the stars, as well as a veggie patch. The cute white picket fence sets the tone for what is a thoroughly gracious property inside and out.

Meticulously maintained and cared for, there is no immediate money needing to be spent, and the granny flat also provides income generation opportunities via permanent rental or Airbnb; it's also ideal to house guests or extended family.
