On a larger than average block, at over 800 square metres, there is plenty of room for children and pets to play, plus heaps of space to put in a pool, if desired. As block sizes shrink in the new estates dotted around the coast, many children are missing out on the joy of good, old-fashioned backyard play - yours won't have to!

Currently tenanted until December 2022 - it would make a well-located property to add to any investment portfolio in a popular, sought-after suburb; entry level buyers should also take a serious look as you will have extra time to prepare and save for a move next Christmas, earning an income to pay off the mortgage in the meantime.

Just six minutes to Caloundra CBD, three minutes to golf, five minutes to beaches and schools, 12 minutes to the hospital precinct, and 70 minutes to Brisbane - access to the full suite of lifestyle as well as essential amenities is quick and easy. Tightly held by investor owner since 2001; put your best offer forward to secure.
