The property has its own charm and personality and could be updated/modernised to further value-add without fear of overcapitalising in such a sought-after golden location, so close to the water.

Existing features include separate shower and bath in main bathroom, security screens, carpets in bedrooms, internal staircase, huge multipurpose room under that could be utilised as office/gym/rumpus or even fourth bedroom, and lock-up shed.

The gardens are low maintenance - with just a regular mow needed to keep it looking neat and tidy, and plenty of room for a pool, plus space for children and pets to play. There is well-established lush leafy vegetation already in place, enhancing privacy and ambience, including a glorious poinciana tree in backyard, resplendent when in bloom.

Currently tenanted until September 2022 - this is a solid investment property to add to anyone's portfolio - and for a buyer intending to move in, you can start packing and look forward to Spring and Summer 2022 and beyond, just metres to the sparkling waters of the Pumicestone Passage - if you don't already own a tinny, then it's time to invest in one!

The local IGA is just 300-metres away, and local cafes, parks/playgrounds, picnic areas along the foreshore, and Golden Beach State School are all within walking distance, and it's a pleasant flat walk. Caloundra CBD and shopping centres are approximately a five-minute drive, and it's an hour down the highway to Brisbane.
