throughout.

The home has been freshly painted both inside and out and the modern kitchen features gas cooking and stone benchtops. The home hot water system also runs off gas.

The front façade features a double lock up garage in white hues and the front entry offers a small, covered porch. From the front door a light filled hallway offers views through to the back of the home and to the covered outdoor area - the home flows effortlessly with living on one side and bedrooms and baths on the other.

All four bedrooms feature built in wardrobes, ceiling fans, plush carpet and the master which is located at the rear of the home boasts a walk-in wardrobe, split system and spacious ensuite.

The family bathroom comes complete with full size bathtub and separate shower. Adjacent is the toilet and stand-alone laundry room which runs parallel to full length mirrored linen closets offering plenty of storage options. This home exudes modern finishes throughout and offers a blank canvas for the backyard which is fully fenced and features a covered patio area which runs off the living room.

The media room which is carpeted and located at the front of the home could serve as a home office or remain as a separate living room affording the home two separate living areas - perfect for the large or growing family.
