Existing features include charming internal arches, easy care flooring throughout, ceiling fans, gas cooktop, dishwasher, wall oven, security screens, roller blinds, separate shower and bath in bathroom, lock-up garden shed, and solar power.

The sides and backyard are fully fenced – providing safe, secure space for children and pets to play, and the kids will just love the pool (and love being so close to the beach). It is a low maintenance yard with just a regular mow needed to keep it neat and tidy; too easy!

This is such a wonderful, convenient lifestyle location with quick access to gorgeous beaches, Currimundi Lake, sporting/leisure facilities and more – it is ultra-family friendly and as such, people buy here and they stay and stay and stay, some never leave, for very good reason.

Offered to the market for the first time since 1996; vacant and ready to move straight into or rent out in this popular locale, this is going to attract masses of enquiry from a range of buyers from renovators, entry level beachside, downsizers, tradies/builders, and investors. Which are you?
