Both units have 2 x split system air-conditioning, ceiling fans, stone benches in kitchen and bathrooms, stainless steel appliances, induction cooktops, roller blinds, easy-care tiled flooring in living/kitchen, fenced grassy courtyards for children and pets to play outdoors; and unit 1 has a separate shower and bath in the main bathroom.

Each occupancy is currently tenanted (see Agent for lease details) generating attractive returns. An effortless investment to add to any portfolio in an enclave that is always in demand; buyers in the investment space should take a very close and serious look at this opportunity.

If purchasing as an owner-occupier, it is simply a matter of time before you can put out the welcome mat, anchor down, and call it home. It could work really well as a joint-family investment, with the ageing parents living in one side, and the grown-up children (and possibly grand-children) in the other. There's also the option of renting one side out.

The property is not currently strata-titled; thus, there is no body corporate. A low maintenance building with easy to care for gardens, upkeep is relatively effortless; and there is no immediate money needing to be spent.

Located approximately a 15-20 minute walk to Woombye State School, village hub with dining, shopping, rail, historic tavern, and community bank; the convenience is exceptional. Suncoast Christian College is just a five minute drive (30 min walk over the overpass), and coast beaches are 20 minutes away.

Investor owner highly motivated to sell; if you have any interest then it is strongly recommended you enquire immediately.
