As gorgeous as it looks, it is also very much a home for our times with contemporary comforts such as air-conditioning and ceiling fans, and an incredible alfresco entertaining zone with inground pool, sunbathing terrace, powered BBQ pavilion, dedicated firepit area under the eucalypts, and masses of under-deck space. Just imagine the parties, celebrations (even weddings) you can have here...under the stars, on the deck, in the pool, in the pavilion!

Infrastructure on the property includes boundary fencing and paddock fencing, stables with adjoining single bay shed, horse shelter, 12x7.5m 4-bay shed with automatic roller doors and annex, cubby house, garden shed, water tank, bore, and septic system. There is a delightful creek running through the rear of the property amongst leafy bushland, and some established raised herb and vegetable beds provide fresh produce from garden to table.

The acreage is almost fully useable and mostly flat, and at 1.9 hectares is manageable size, easy to zip around on the ride-on mower, plus the horses will graze on the pasture keeping the grass under control. Not too big, not too small – this is the perfect size for that desirable acreage lifestyle so many of us dream of.
