With three separate living areas there is the potential for a fourth bedroom for the growing family or home office; all the rooms are generously proportioned, and there is a warm and homely ambience throughout.

The yard is perfect for children and pets to play and there's plenty of room for a trampoline, cubbyhouse, even a pool, if desired. Inside and out, this is low maintenance living, easy to lock-and-leave when travelling, and always lovely to come home to on your return.

With only one direct neighbour, privacy is maximised, and the children (and dogs) will be spoilt for choice when it comes to parks and playgrounds to visit, explore, and make new friends in and around the neighbourhood.

Stunning patrolled beaches and major amenities including public/private schools, golf, supermarkets, shopping centres, hospitals, and Caloundra CBD are within a 5-15 minute radius; and this address falls within the Meridan State College catchment zone (2-kilometres away).

Long-term owner has taken excellent care of this delightful home and whilst there is potential to update to value-add, it is very comfortable and presentable 'as is' and is ready to rent out or move straight into as an owner occupier and enjoy!

Entry level buyers, downsizers, and investors: this should be top of your list, and priced to sell, it's going to fly!
