open/close aluminium pergola roof, garden shed, fully insulated cedar multi-purpose shed on concrete slab (suitable for music room), 5,000-litre rainwater tank, and 6.4kW solar power are just some of the home's extensive suite of features.

The fourth bedroom is ensuited, so is ideal for guest accommodation, housing extended family member(s) or could work well as a home office/salon as it is located at the entry end of the home. It really is an exceptionally well-designed home offering great separation as well as versatility; and the original owners have invested in additional improvements that take it to the next level.

Inside and out, it is low maintenance and easy to lock-and-leave when away travelling; all that's needed to keep the yard looking neat and tidy is a regular mow, and the gazebo is moveable/demountable so there is space for a plunge pool, if desired. Everything has been thought of to make this the complete family lifestyle home.

Located in a quiet street on the northern side of Nirimba, within the master-planned City of Aura, it's just 300-metres to a fabulous children's playground, and 350-metres to the dog park. Local schools including Notre Dame Catholic College (opened in 2025) are within walking and cycling distance, as is the future town centre.

When it's time to hit the beach, you are spoilt for choice, with Caloundra's many stunning beaches located within a 15-20-minute proximity including the Pumicestone Passage popular for fishing and boating. Baringa's shopping and amenities are less than 10 minutes' drive, it's 15 minutes to major hospitals, and only 55 minutes to Brisbane Airport via direct accelerated access to the M1.

This is an outstanding property that offers many points of difference to others on the market within Nirimba and adjoining suburbs: quality, design, and presentation all shine! Purchase
