lifestyle appeal.

Thoughtfully designed across two spacious levels, the home offers multiple living zones, excellent separation, and seamless indoor-outdoor integration. The designer kitchen anchors the home with premium Smeg and Bosch appliances, stone benchtops, a statement island bench and extensive cabinetry - all overlooking the expansive open-plan living and alfresco entertaining area.

Outside, the private resort-inspired setting is equally impressive, featuring an exclusive inground pool with travertine surrounds, landscaped gardens, built-in BBQ zone and a private entertaining terrace designed for year-round enjoyment.

Upstairs, the master suite offers a luxurious retreat complete with balcony, water glimpses, walk-in robe and a beautifully appointed ensuite with dual vanities and freestanding bath. Every detail throughout the home has been carefully considered, including high ceilings, engineered oak flooring, wool carpets, ducted air-conditioning, premium fixtures and custom finishes throughout - delivering a residence that feels more like a bespoke standalone home than a duplex.

Located just moments from Buddina Beach, La Balsa Park, Point Cartwright, Kawana Surf Club, cafes, shopping, schools and walking paths, the lifestyle on offer is exceptional. Major hospitals, the university precinct and Sunshine Coast Airport are all within easy reach.

With the neighbouring residence already secured and this being the final opportunity within the development, buyers searching for high-end, low-maintenance beachside living are encouraged to act quickly. Brand-new homes of this calibre in Buddina are increasingly difficult to secure - particularly ones ready for immediate enjoyment.

Inspections are now available by private appointment or check for open homes times...
